Principal- Randy Dalton, Associate Principal- Matthew Lacy

Geography Club REGISTRATION

Registration Options:

Drop off the completed registration form at the Molalla River Middle School main office or bring to Mr. Ferguson.

Attendance:

Students should plan to attend each meeting and notify Mr. Ferguson if they are unable to attend a meeting. Students are expected to be in Mr. Ferguson's classroom by 2:25 ready to participate in the club activity for the day.

Description:

This club will meet each Thursday and help you prepare for the school Geography Bee. The club will do some general geography, teach some strategies for use in the competition, and answer sample questions from past Geography Bee competitions. There will also be a chance to compete against other members in a mock Geography Bee game that will use the same format as the school competition. The winner of the school Geography Bee will take a test to see if they qualify for the state competition and receive a medal for winning the school level competition. The winner of the state competition wins a trip to Washington, DC to participate in the National Geography Bee and compete for scholarship money.

AFTER SCHOOL GEOGRAPHY CLUB
