GREEN TEAM

Molalla Middle School is proud to offer the Green Team. Club members will be taking part in making our school a better place through reducing waste, increasing recycling efforts, and coming up with ways to reuse and repurpose what we have. In addition, club members will practice speaking in front of peers to encourage reducing, reusing, and recycling. We will also conduct recycling audits, sort recycling, and much more! The club will meet after school on the 1st Wednesday of the month from 2:30-3:30pm in Room 32. Additional meetings may be held, with advance notice emailed to parents and students with advance notice.

In order to be eligible for the club, students must have a signed permission slip. Students in the club must also be picked up or walk home at 3:30 on club meeting days.

We look forward to providing this experience for your child. Please sign and return this permission slip if you are okay with your child being part of Green Team.

Sincerely,

Ms. Schiefelbein (Advisor)

Ms. Karen (Advisor)

Donations are gladly accepted and will be used to buy supplies (gloves for trash audits), materials (poster board presentations), and possibly snacks for the group. If you are interested in donating, please include a check payable to Molalla River Middle School with the signed permission slip.
