INVENTORS CLUB

Molalla Middle School is proud to offer the Inventors Club. Club members will be taking part in cool experiments and engineering projects along the way with Molalla High School students. In addition, club members will learn about exciting careers in the field of science. The club will meet after school on the 2nd and 4th Thursdays of the month from 3:00-4:30 in Room 38. Students involved in the club are also **required** to attend the Homework Club in the cafeteria from 2:30-3:00 on club meeting days. The first meeting will be held October 17th (this is only for the 1st meeting, all others will be on the 2nd and 4th Thursday).

In order to be eligible for the club, students must have a signed permission slip and take part in the Homework Club as well. Students in the club must also be picked up or walk home at 4:30 on club meeting days.

We look forward to providing this experience for your child. Please sign and return this permission slip.

Sincerely,
Mr. Dalton
