### **Golf**

Hey, Wolverines! Mr. Tindall is the Head Golf Coach at Molalla High School, and he would love to talk to you about becoming involved in golf now, so that when you reach High School age, you will be able to play on the Varsity! Molalla High School has a team for girls and a team for boys, and besides the fun of playing, there are golf scholarships to be had. The time to get involved is now, so that you will be able to decide whether or not you want to make the commitment of time and effort necessary to be successful in high School. Anyone can become very skilled at golf and have a great time, at any age. If you are interested in learning about how you can become involved in competitive golf at your age level, contact Mr. Tindall. Informational meeting will be held during parent teacher conferences to help you and your parent with how to get started. Fairways and Greens, Wolverines!

### **Office Forms**

Verification forms were sent home. If you happen to still have those please review, sign and send it back with your student. It is very important we have your updated information along with any health changes for your student. The Electronic communication system agreement is also needed. Your student will not be able to access electronic devices until we have this form signed and returned. Thanks so much!
