Beginning of Year Packets

Students will be bringing home beginning of the year packets the first week of school. Please be on the lookout as there are three documents that need to be filled out/corrected, signed and returned. If you came in before school your student will not be bringing a packet home as you have already completed it.

Medication

All medication, both **prescription** and **non-prescription**, must be brought to the school office in their original container (Including inhalers, even if your student carries inhaler we still need box and paperwork). Students are **NOT** to transport medication to school; an adult must deliver all medication. Our office will provide medication forms to you upon request.

Report Cards

Our school is making strides to be a green school and we have gone to paperless report cards. You will be able to find your student's report card on Parentvue. Please contact the office at 503-829-6133 if you have not yet signed up for Parentvue or if you are in need of assistance.

Flash Alert and Inclement Weather Info

If you haven't already please sign up for Flash Alert www.flashalert.net and check our school website out for snow bus routes <http://mrms.molalliariv.k12.or.us/>. The district will post school closure and emergency information on flash alert. We can never be too prepared for our weather around here.

Wolverine Pride Stickers

Wolverine Pride stickers are now available in the front office. Let's show our school spirit, stickers are just \$2 each. Honor Roll stickers are also available in the front office for \$3
