

Hello families of current 6th and 7th graders,

The Molalla High School Athletic Department is offering a slew of opportunities for incoming K-8th graders this summer. Your son(s) or daughter(s) and their friends this summer can take advantage of these opportunities. These camps will not only help them be better prepared for the sports they will be playing next season, but they will also be more confident, would have made new friends, and have created relationships with the high school coaches. Oh...and had some fun too! Please don't miss out. Have your son and/daughter sign up for these opportunities to have fun, learn new skills, and make new friends!
