Activities & Athletics Open House at Molalla High School

Open house is schedule on May 21st from 5:30-7:00pm the target audience for this event is current 8th grade students as they look ahead to opportunities next year at the high school. This event will provide a great opportunity for students to learn more about the wide variety of activities available to MHS students. Please note that this is an open house format so you can arrive any time from 5:30-7:00 pm. At 7:00 pm there will be a question and answer session.

Youth & Technology

Youth & technology event will be May 21st at Molalla High School in the library. This event is focused on keeping our students safe online. I would encourage parents/guardians of any student in grades 6-8 to attend. The presentation will start at 6:00pm in the library. Please note that this presentation is geared towards parents/guardians and would not be appropriate for the middle school students. If you have an 8th grade student, you might choose to attend this session in the library while your student checks out the activities and athletics open house and student panel.

2018 MHS Summer Athletic Camps for K-8

Please note that the boys and girls soccer camp will now be July 9-12th. All other dates will remain the same. Sorry for any confusion.
