Students meeting state grade-level expectations.

Oregon average 56%

### School Goals

Molalla River Middle School continues to press forward with developing an academic and social environment that creates critical readers, outstanding writers, and influential communicators; thus empowering our students to be truly "Unstoppable." Our school goals include increasing our student performance in mathematics and language arts, creating a positive school culture, and developing engaging instructional techniques. As a staff, we are committed to providing an educational experience for your child that is unmatched.

### Academic Progress

#### REGULAR ATTENDERS

Students who attended more than 90% of their enrolled school days.

Oregon average 80%

### Academic Progress

#### INDIVIDUAL STUDENT PROGRESS

Year-to-year progress in English language arts and mathematics.

Oregon average 61%

### State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

It is our priority to create a safe and welcoming environment for all students. We have worked hard to help all of our students find their niche with the addition of over 15 clubs last year. We continue to help kids find their passion by restructuring our schedule to offer over 25 new courses this year. Part of our course offerings is a new leadership class where our elected class officers and fellow classmates will help design a school experience that is safe, welcoming, and enjoyable. This group will also be tasked with analyzing our student survey we gave last year and addressing areas such as creating a safe and welcoming environment.
